Dear Mr. Sarchio,

First of all, I would like to thank you for your participation in The Scholarship Fund of Alexandria, providing assistance to students for their higher education. I am honored to have received the Taylor Run Citizens' Association Scholarship for \$1,000. As a member of the Taylor Run community, I strive to uphold the community's values by maintaining superior grades and representing myself as a positive Taylor Run citizen.

Moreover, in the near future, I hope to give back to the community as an elementary school teacher. In fall 2009, I will be attending the University of Connecticut to pursue a Bachelor's and Master's degree in Elementary Education. I intend to earn my Bachelor's degree in four years, but also enroll in the "Integrated Bachelor's and Master's Teacher Education Program," which allows me to obtain my Master's in one year. By achieving this, I hope to begin my career as an elementary educator back in Alexandria as soon as possible, positively impacting the children of Alexandria.

Again, thank you for your assistance. I truly appreciate your efforts in helping me achieve my educational and career goals.

Sincerely,
